About Me

I am Full Stack Developer, equipped with two years of exemplary leadership within the IDF, where I adeptly operated under high-pressure situations. I successfully undertook iNT College's comprehensive year-long development course. My penchant for effective problem-solving, coupled with robust decision-making skills, distinguishes me. I am enthused about commencing this new chapter and effecting meaningful change within my upcoming role.

SKILLS

- React.js, Redux.js, React Native
- Node.js, NestJS
- SQL, MongoDB
- HTM
- GIT
- CSS
- python(Self Learning)

EXPERIENCE

Lamed Li, Israel - Full Stack Developer/ 2023

- effective communication skills, teamwork, and relationship building.
- Attention to details: committed to meeting deadlines and providing quality results.
- Designed and implemented web applications such as news sites and tools for offline content editing for clients.
- Developed fully responsive web pages for optimal user UX and offered debugging services to clients.
- Collaborated with two other engineers to launch nine new business automation web solutions.

IDF, Israel - Commando school navigation guide /Oct 2020 - Oct 2022

- I led teams and made critical decisions in high pressure environments, developing strong leadership, decision making and problem solving skills.
- I gained a basis in teamwork, cooperation, providing results, meeting schedules and punctuality.

EDUCATION

INT College - Institute for Innovation and Technology, Israel - Full Stack Development

Oct 2022 - Oct 2023

I acquired proficiency in various cutting-edge technologies, through practical projects in the high-tech industry, I improved my teamwork skills and learned the importance of punctuality and delivering results, and my passion for continuous learning and growth in the field of technology.
